

**ITEM CODE: DPP & DPP-W**  
**HOSPITAL PUSH PULL LATCH**

Features:

- Suitable for both wooden and metal doors.
- Constructed from stainless steel EN 1.4301 (SUS304).
- 1/2" latch bolt projection.
- Offered in two functions: passage (DPP) and privacy (DPP-W).
- Non-handed trim design.
- Handles can be installed in either upward or downward orientation by rotating the trim 180°.
- Trim is securely fastened with four thru-bolts for enhanced stability.
- ADA compliant.
- DPP-W: ideal for patient bathroom use, featuring a privacy thumb turn on one side and an emergency override knob on the other.
- Specify door material and thickness when ordering.
- Standard finish: satin stainless steel (other finishes available upon request).
